Michael Butera, M.D.
Ellie J.C. Goldstein, M.D.
Arash Heidari, M.D.
Melvin Scheer, M.D.
Barry Statner, M.D.
Francesca J. Torriani, M.D.

ACCREDITATION

The Infectious Disease Association of California (IDAC) is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. IDAC takes responsibility for the content, quality, and scientific integrity of this CME activity.

PHYSICIANS: IDAC designates this educational activity for a maximum of 5.0 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education. 1.0 hour is applicable to HIV specialist certification.

PHARMACISTS: Pharmacists may use courses which have been approved for continuing education by the Medical Board of California towards their California continuing education requirement, (Section 1732.2(b) of the California Code of Regulations).

NURSES: Continuing Medical Education (Category 1) is acceptable for meeting RN continuing education requirements (California Board of Registered Nurses).

DISCLOSURES

This symposium is supported by grants from commercial interests. List of supporting companies will be available at the web site: www.idac.org and disclosed at the symposium.

CME topics and speakers are chosen independently of commercial interests. Speaker disclosures will be provided in the course syllabus, distributed at the symposium.

ABOUT IDAC

Founded in 1985, the Infectious Disease Association of California is a non-profit organization (Tax ID # 95-4106813), serving the educational needs of medical doctors in California with an interest in Clinical Infectious Diseases/HIV. IDAC is a regional society affiliated with the Infectious Diseases Society of America and the HIV Medical Association, as well as a recognized specialty society of the California Medical Association. IDAC conducts three symposia per year, publishes a quarterly newsletter, conducts research addressing clinical and business issues pertaining to the practice of Infectious Diseases, operates an Internet web site and email network, and coordinates a Speakers Bureau.

Full Membership is open to physicians practicing in California. Associate Membership is open to physicians practicing outside California, pharmacists, Ph.D.s, infection control practitioners, and microbiologists. Dues are \$125 per year. Membership is also available to I.D. Fellows-in-Training in California at no charge.

29th Annual IDAC Fall Symposium **October 25, 2014 • Atrium Hotel, Irvine, CA**

The Infectious Disease Association of California (IDAC) hosts its 29th annual Fall Symposium on Saturday, October 25, 2014. The Fall Symposium mixes the discussion of clinical infectious disease topics and the chance to network with other medical professions from the infectious disease community in California.

This year's event takes place at the Atrium Hotel, 18700 MacArthur Boulevard, Irvine, CA 92612—across from John Wayne Airport.

As described in this brochure, this CME program will address:

- ▶ Anti-Infective Dosing in Special Patient Populations
- ▶ Hepatitis C
- ▶ HIV Therapy
- ▶ Emerging I.D. Diseases: MERS & Ebola
- ▶ Local Fascinating Cases

Satellite Symposium Session — *Antimicrobial Agents for Multi-Drug Resistant Pathogens*

In addition, the IDAC business meeting, conducted over lunch, will address issues related to the practice of clinical infectious diseases.

Our annual I.D. Fellows Mentoring Session will follow the formal program. This is an informal round table discussion for fellows to interact with IDAC members, addressing questions about opportunities in private clinical practice. In addition, I.D. Pharmacists will conduct a break out session over lunch.

TARGET AUDIENCE

This activity is designed to meet the educational needs of physicians, pharmacists, researchers, infection control practitioners/nurses, and microbiologists with an interest in infectious diseases/HIV.

CME CURRICULAR GOALS & OBJECTIVES

Upon completion of this activity, the participant will be able to:

- ▶ Apply new recommendations for the dosing of anti-infectives in special patient populations.
- ▶ Apply new recommendations for treatment of Hepatitis C.
- ▶ Apply new recommendations for treatment of patients with HIV and HCV, given the complex interactions between medications.
- ▶ Apply new recommendations for diagnosis, screening, and treatment for the emerging diseases of MERS and Ebola.
- ▶ Apply new recommendations for diagnosis, screening, and treatment of interesting local cases.
- ▶ Apply new recommendations for treatment of multi-drug resistant pathogens, in the current regulatory environment.

SYMPOSIUM PROGRAM

- 7:30 am **Registration**
Industry Exhibits/Continental Breakfast
- 8:15 am **Opening Remarks**
Gregory L. Strayer, M.D.
President, IDAC
- 8:30 am **Dosing of Anti-Infective Agents in Special Patient Populations**
Keith A. Rodvold, Pharm.D.
*Professor of Pharmacy Practice and Medicine
Colleges of Pharmacy and Medicine
University of Illinois at Chicago
Chicago, IL*
- 9:30 am **Morning Break**
Industry Exhibits
- 10:00 am **Hepatitis C: New Developments in Treatment**
Sammy Saab, M.D.
*Professor, Department of Medicine Surgery
Head, Outcomes Research in Hepatology, Pflieger Liver Institute
University of California, Los Angeles
Los Angeles, CA*
- 11:00 am **Individualized HIV Therapy in the Era of HCV Eradication Strategies**
Craig R. Ballard, Pharm.D.
*HIV Pharmacist Specialist, Owen Clinic
Associate Clinical Professor, Skaggs School of Pharmacy
University of California, San Diego
San Diego, CA*
- Noon **Lunch**
Industry Exhibits
- 12:30 pm **IDAC Organizational Meeting**
I.D. Pharmacist Break Out Session
- 1:20 pm **Hitching a Ride: Bats, Boeing, and the Spread of MERS and Ebola**
Robert T. Schooley, M.D.
*Head, Division of Infectious Diseases
Executive Vice Chair, Department of Medicine
University of California, San Diego
San Diego, CA*

2:20 pm **Break / Industry Exhibits**

2:30 pm **Local Fascinating Cases**

3:30 pm **Satellite Symposium (Non-CME)**
**New Antimicrobial Agents for Multi-Drug Resistant Pathogens:
What a New Regulatory Environment Means for You and Your
Patients**

Michael N. Dudley, Pharm.D.

*Senior Vice President and Chief Scientific Officer, Infectious Diseases
The Medicines Company
San Diego, CA*

4:30 pm **Symposium Ends**

4:30 pm **I.D. Fellows Mentoring Session**

An informal round table discussion for fellows to interact with IDAC members, addressing questions about opportunities in private clinical practice.

REGISTRATION

Pre-registration—including continental breakfast, sessions, lunch buffet, and breaks—is \$20.00 for paid 2014 IDAC Members registering by October 17, 2014. Member registration at the door is \$40. IDAC membership is open to all M.D.s, Pharm.D.s, Ph.D.s, R.N.s, and I.C.P.s with an interest in Infectious Diseases. Non-member advance registration is \$85, \$105 at the door. See Registration Form, page 7.

HOW TO REGISTER

There are several ways of registering. IDAC Members may register at the IDAC web site—www.idac.org—or by completing the enclosed Registration Form and faxing it to: (310) 216-9274 or mailing it to: IDAC, PO Box 66751, Los Angeles, CA 90066.

Non-Members may register at the IDAC Web Site—www.idac.org—and pay by credit card through the IDAC website—www.idac.org—or by completing the enclosed Registration Form and mailing it with a check to IDAC, PO Box 66751, Los Angeles, CA 90066, or fax the form with credit card information to IDAC at (310) 216-9274.

CANCELLATION POLICY

Symposium registration will be refunded (minus a \$20 service fee), if written notification is received by Friday, October 17, 2014.

INTERNET AVAILABILITY

A limited number of codes will be available for Internet access in the meeting area. Ask for code at the Registration Desk.
