ACCREDITATION

The Infectious Disease Association of California (IDAC) is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. IDAC takes responsibility for the content, quality, and scientific integrity of this CME activity.

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education.

IDAC designates this educational activity for a maximum of 6.5 AMA PRA Category 1 Credit(s)TM. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.

CME hours are also applicable to Pharmacist and Nurse CEU requirements.

ABOUT IDAC

Founded in 1985, the Infectious Disease Association of California is a non-profit organization (Tax ID # 95-4106813), serving the educational needs of medical doctors in California with an interest in Clinical Infectious Diseases/HIV. IDAC is a regional society affiliated with the Infectious Diseases Society of America and the HIV Medical Association, as well as a recognized specialty society of the California Medical Association. IDAC conducts three symposia per year, publishes a quarterly newsletter, conducts research addressing clinical and business issues pertaining to the practice of Infectious Diseases, operates an Internet web site and email network, and coordinates a Speakers Bureau.

Full Membership is open to physicians practicing in California. Associate Membership is open to physicians practicing outside California, pharmacists, Ph.D.s, infection control practitioners, and microbiologists. Dues are \$125 per year. Membership is also available to I.D. Fellows-in-Training in California at no charge

The Infectious Disease Association of California (IDAC) hosts its Third Annual *Northern California Winter Symposium* on Saturday, March 7, 2015. The Winter Symposium mixes the discussion of clinical infectious disease topics and the chance to network with other medical professions from the infectious disease community in California.

This year's event takes place at the Holiday Inn-Oakland Airport, 77 Hegenberger Road, Oakland, CA 94621—at the entrance to Oakland Airport.

As described in this brochure, this CME program will address:

- **Post-Transplant Infections**
- **Nontuberculous Mycobacterial (NTM) Disease**
- **Chikungunya & Other Emerging Vector-Borne Infectious Diseases**
- **Spread and Management of Ebola**
- **Use of Metrics in Antimicrobial Stewardship**
- **Antimicrobial Stewardship: Public Health & Healthcare Partnership**
- **Local Fascinating Cases**

Non-CME sessions include *Break Out* sessions for both Physicians and Pharmacists to address non-clinical issues. In addition, a *Mentoring Session* gives I.D. Fellows-in-Training an opportunity to meet IDAC members in private practice to discuss career opportunities.

TARGET AUDIENCE

This activity is designed to meet the educational needs of physicians, pharmacists, researchers, infection control practitioners/nurses, and microbiologists with an interest in infectious diseases and HIV.
