Accreditation

The Infectious Disease Association of California (IDAC) is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. IDAC takes responsibility for the content, quality, and scientific integrity of this CME activity.

PHYSICIANS: IDAC designates this educational activity for a maximum of 9.0 AMA PRA Category 1 Credit(s)TM. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education I.

PHARMACISTS: Pharmacists may use courses which have been approved for continuing education by the Medical Board of California towards their California continuing education requirement, (Section 1732.2(b) of the California Code of Regulations).

NURSES: The California APIC Coordinating Council designates this educational activity for a maximum of 9.0 CEU hours.

About IDAC

Founded in 1985, the Infectious Disease Association of California is a non-profit organization (Tax ID # 95-4106813), serving the educational needs of medical professionals in California with an interest in Clinical Infectious Diseases/HIV. IDAC is a regional society affiliated with the Infectious Diseases Society of America and the HIV Medical Association, as well as a recognized specialty society of the California Medical Association. IDAC conducts three annual symposia, special topic symposia, and research addressing clinical and business issues pertaining to the practice of Infectious Diseases, as well as operates an Internet web site, e-mail network, and a Speakers Bureau.

Full Membership is open to physicians practicing in California. Associate Membership is open to physicians practicing outside California, pharmacists, Ph.D.s, R.N.s, infection control practitioners, and microbiologists. Dues are \$125 per year. Membership is also available to I.D. Fellows-in-Training in California at no charge.

About CACC

Founded in 1978, the California APIC Coordinating Council (CACC) is a statewide steering committee for California's local APIC chapters, representing the collective interests of Infection Preventionists throughout the state. CACC's mission is to legislate, communicate, and educate its members on issues related to infection control and provide input to the national APIC organization. More information on CACC is available at the website: www.caapic.org.

Emerging Clinical Issues in Infectious Diseases 2018

May 5-6, 2018 • Hilton Irvine / Orange County Airport Hotel

The Infectious Disease Association of California (IDAC), in conjunction with the California APIC Coordinating Council, hosts its 33rd annual *Spring Symposium* on Saturday & Sunday, May 5-6, 2018. The Spring Symposium mixes the discussion of clinical infectious disease topics, with time to enjoy the destination and socialize with colleagues and their families.

This year's event takes place at **The Hilton Irvine / Orange County Airport Hotel** in Irvine, CA. As presented within this brochure, it will consist of 9.0 CME sessions, a Saturday night Reception and Banquet, and Break-Out sessions for physicians, pharmacists, and infection control practitioners.

TARGET AUDIENCE

This CME activity is designed to meet the educational needs of physicians, pharmacists, researchers, infection control practitioners/nurses, and microbiologists with an interest in infectious diseases, HIV medicine, and infection control.

CURRICULAR GOALS & OBJECTIVES

Upon completion of this activity, the participant will be able to:

- ▶ Apply new recommendations for the diagnosis and management of MDR Gram Negative Infections.
- ▶ Apply new recommendations for the diagnosis and management of Fever in the Returning Traveler.
- ▶ Apply new recommendations for the diagnosis and management of Meningitis.
- ▶ Apply new recommendations for the diagnosis and management of *Candida auris*.
- ▶ Apply new recommendations for the diagnosis and management of Prosthetic Joint Infections.
- ▶ Understand and utilize Antibiotic Susceptibility Testing and CLSI Standards.
- ▶ Apply new recommendations for the diagnosis and management of Empiric Neutropenic Fever.
- ▶ Apply new recommendations for the diagnosis and management of Waterborne Pathogens.
- ▶ Apply new recommendations for the management of Antiretroviral Therapy.

DISCLOSURES

This symposium is supported by grants from commercial interests. List of supporting companies will be disclosed at the symposium.

CME topics and speakers are chosen independently of commercial interests. Speaker disclosures will be provided in the course syllabus, distributed at the symposium.

NOON SYMPOSIUM ENDS

REGISTRATION

Full registration will include sessions, continental breakfast each day, Saturday buffet lunch, exhibits, attendee packet and resources, and attendance/CME certificate.

Saturday night Reception, Banquet, and After Dinner Performance at the adjacent Atrium Hotel is \$75 per person. Dinner will consist of a Pacific Rim Buffet with a variety of dishes to appeal to all tastes. Registration fees are listed on page 7. Register as soon as possible, as attendance is limited.

SYMPOSIUM CANCELLATION POLICY

Symposium registration fees may be refunded (minus a \$20 service fee), if written notification is received by April 27, 2018.

Emerging Clinical Issues in Infectious Diseases 2018

ACCOMMODATIONS

The newly renovated Hilton Irvine/Orange County Airport Hotel offers a convenient and luxurious venue for the *IDAC Spring Symposium*. Relax in a comfortable guest room with a 42-inch flat-screen TV, flexible work space, and Hilton Serenity bed collection. Indulge in delicious American cuisine with a Californian twist at the Aura Bar & Grill. Keep fit in the complimentary 24-hour fitness center complete with modern equipment and refresh in the hotel's outdoor heated pool before relaxing in the whirlpool. Shopping and other Orange County attractions are only a short drive away. For more information, use the hotel link on IDAC's website: www.idac.org/upcoming.html or call: (949) 833-9999.

HOTEL RESERVATIONS

A limited block of hotel rooms has been reserved for the Symposium, beginning at \$119+tax per night (single/double). To guarantee your room reservation at this special rate, you can use the hotel link on the IDAC website: www.idac.org, or contact the hotel directly at www.hilton.com or call (949) 833-9999 **and use group code IDAOCA**. The hotel reservation deadline is **April 17, 2018**. After that date, rooms will only be available on an "as available basis" at current rates. Cancellations must be made 48 hours prior to arrival date. All cancellations should be made directly with the hotel and a cancellation number must be obtained.

SOCIAL EVENT

The Symposium will host a Wine & Cheese Reception and Symposium Banquet on Saturday, May 5 at the Atrium Hotel (next door). In keeping with the tropical atmosphere, the dinner will consist of a Pacific Rim Buffet, offering a variety of dishes for all tastes. After dinner, we will be entertained by a string instrument musical performance featuring our own Lauri Thrupp, M.D.

LOCATION/PARKING

The Hilton Irvine is located at 18800 MacArthur Blvd., Irvine, CA 92612. Self parking is available at \$16 per day or overnight, and Valet Parking is \$33.

TRANSPORTATION

DRIVING INSTRUCTIONS: From Interstate 405 (San Diego Freeway), exit MacArthur Blvd. Take MacArthur south to Douglas St. Turn left, and the hotel will be on the left side corner.

AIR TRAVEL: The Hilton is located across the street from John Wayne/Orange County Airport (SNA) and 30 miles from Los Angeles International Airport (LAX).

AIRPORT TRANSPORTATION: The hotel offers a free courtesy bus from John Wayne Airport, upon availability. Otherwise, a taxi is \$8. From LAX, Super Shuttle can provide share van transportation for \$34 each way. Reservations can be made at the web site: www.supershuttle.com or by calling: (800) 258-3862.
