Francesca J. Torriani, M.D., *President*
 Philip Robinson, M.D., *President-Elect*
 Arash Heidari, M.D., *Secretary/Treasurer*
 Ronald J. Goldman, Ph.D., *Executive Director*

IDAC Council:

Mohammed Al-Jasim, M.D.
 Nancy Crum-Cianflone, M.D.
 Martin Fee, M.D.
 Nilesh Hingarth, M.D.
 Charles James, Pharm.D.
 James McKinnell, M.D.
 Jeffrey H. Silvers, M.D.
 Angela Vassallo, M.P.H.

IDAC CME Committee:

Gregory L. Strayer, M.D., *Chair*
 Raymond Chinn, M.D.
 Ellie J.C. Goldstein, M.D.
 Arash Heidari, M.D.
 James McKinnell, M.D.
 Francesca J. Torriani, M.D.
 Norman J. Waecker, Jr., M.D.
 Ronald J. Goldman, Ph.D.

ACCREDITATION

The Infectious Disease Association of California (IDAC) is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. IDAC takes responsibility for the content, quality, and scientific integrity of this CME activity.

PHYSICIANS: IDAC designates this educational activity for a maximum of 6.0 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education I.

PHARMACISTS: Pharmacists may use courses which have been approved for continuing education by the Medical Board of California towards their California continuing education requirement, (Section 1732.2(b) of the California Code of Regulations).

NURSES: The California APIC Coordinating Council designates this educational activity for a maximum of 6.0 CEU hours.

ABOUT IDAC

Founded in 1985, the Infectious Disease Association of California is a non-profit organization (Tax ID # 95-4106813), serving the educational needs of medical professionals in California with an interest in Clinical Infectious Diseases/HIV. IDAC is a regional society affiliated with the Infectious Diseases Society of America and the HIV Medical Association, as well as a recognized specialty society of the California Medical Association. IDAC conducts three annual symposia, special topic symposia, and research addressing clinical and business issues pertaining to the practice of Infectious Diseases, as well as operates an Internet web site, e-mail network, and a Speakers Bureau.

Full Membership is open to physicians practicing in California. Associate Membership is open to physicians practicing outside California, pharmacists, Ph.D.s, R.N.s, infection preventionists, and microbiologists. Dues are \$125 per year. Membership is also available to I.D. Fellows-in-Training in California at no charge.

ABOUT CACC

Founded in 1978, the California APIC Coordinating Council (CACC) is a statewide steering committee for California's local APIC chapters, representing the collective interests of Infection Preventionists throughout the state. CACC's mission is to legislate, communicate, and educate it's members on issues related to infection control and provide input to the national APIC organization. More information on CACC is available at the website: www.caapic.org.

SYMPOSIUM PROGRAM

- 7:30 am Registration / Exhibits / Continental Breakfast
 8:30 am Opening Remarks
Philip Robinson, M.D.
President, IDAC
 8:40 am HSV Diagnosis & Management: What Do Patients Want to Know?
Anna Wald, M.D., M.P.H.
Head, Division of Allergy & Infectious Diseases
Professor, Department of Medicine, Epidemiology, and Laboratory Medicine,
University of Washington
Member, Vaccines and Infectious Diseases Division,
Fred Hutchinson Cancer Research Center
Director, UW Virology Research Clinic
Seattle, WA
 9:40 am Morning Break / Industry Exhibits
 10:00 am New and Emerging Therapies for the Management of MDR Gram Negative Infections
James S. Lewis II, Pharm.D., FIDSA
Co-Director of Antibiotic Stewardship & Infectious Diseases Clinical
Pharmacy Supervisor
Adjunct Associate Professor, Oregon Health & Science University,
Departments of Pharmacy & Infectious Diseases
Portland, OR
 11:00 am An Update on HTLV-1 and HTLV-2 Infections for the Practicing I.D. Specialist
Edward Murphy, M.D., M.P.H.
Professor, Laboratory Medicine and Epidemiology/Biostatistics,
University of California San Francisco
Senior Investigator, Blood Systems Research Institute
San Francisco, CA
 NOON Lunch Buffet / Industry Exhibits
 12:30 pm I.D. Physician Clinical Break Out Session
 I.D. Pharmacist Clinical Break Out Session
 Infection Preventionists Break Out Session
 1:20 pm What We Have Learned from Studying *Candida* for Over 40 Years
Jack E. Edwards, M.D.
Professor of Medicine Emeritus
David Geffen School of Medicine, University of California, Los Angeles
Division of Infectious Diseases, Harbor/UCLA
Senior Investigator, Los Angeles Biomedical Research Institute, Harbor/UCLA
Torrance, CA
 2:20 pm Afternoon Break / Industry Exhibits
 2:30 pm How to Meet The Joint Commission (TJC) 8 Antimicrobial Stewardship Standards
Ravina Kullar, Pharm.D.
Infectious Diseases Research Scientific Director
Global Center for Scientific Affairs
Merck Research Laboratories
Santa Monica, CA
 3:30 pm Local Fascinating Cases
 4:30 pm Symposium Ends
 4:30 pm I.D. Fellows Mentoring Session

The Infectious Disease Association of California (IDAC) hosts its 6th annual *Northern California Winter Symposium* on Saturday, March 3, 2018. The Winter Symposium mixes the discussion of clinical infectious disease topics and the chance to network with other medical professions from the infectious disease community in California.

This year's event takes place at the Holiday Inn-Oakland Airport, 77 Hegenberger Rd., Oakland, CA 94621—at the entrance to Oakland Airport.

As described in this brochure, this CME program will address:

- Herpes Simplex Virus Infections
- Multi-Drug Resistant Gram Negative Infections
- HTLV-1 and HTLV-2 Infections
- *Candida auris* Infections
- The Joint Commission Antimicrobial Stewardship Standards
- Local Fascinating Cases

Non-CME sessions include *Break Out* sessions for both Physicians, Pharmacists, and Infection Preventionists to address non-clinical issues. In addition, an *I.D. Fellows Mentoring Session*, to give I.D. Fellows-in-Training an opportunity to meet IDAC members in private practice and discuss career opportunities.

TARGET AUDIENCE

This activity is designed to meet the educational needs of physicians, pharmacists, researchers, infection preventionists, and microbiologists with an interest in infectious diseases and HIV.

CME CURRICULAR GOALS & OBJECTIVES

Upon completion of this activity, the participant will be able to:

- Apply new recommendations for the diagnosis, screening, and management of Herpes Simplex Virus Infections.
- Apply new recommendations for the diagnosis, screening, and management of Multi-Drug Resistant Gram Negative infections.
- Apply new recommendations for the diagnosis, screening, and management of HTLV-1 and HTLV-2 infections.
- Apply new recommendations for the diagnosis, screening, and management of *Candida auris* infections.
- Understand and comply with the new The Joint Commission (TJC) 8 Antimicrobial Stewardship Standards.
- Apply new recommendations for diagnosis, screening, and treatment of interesting local cases.

ACCOMMODATIONS

The Holiday Inn at Oakland Airport is conveniently located at the entrance to Oakland Airport.

The Holiday Inn & Suites Oakland Airport is a full-service hotel, offering an outdoor heated swimming pool, state-of-the-art fitness facility, and the Diamonds Sports Bar & Grill. The hotel offers complimentary shuttle service to Oakland Airport and the Coliseum BART (Bay Area Rapid Transit) station, for easy access into San Francisco. The hotel is 100% Non-Smoking. For more information about the Oakland Holiday Inn, visit the web site: www.bioakland-airport.com or call: (510) 638-7777.

HOTEL RESERVATIONS

A limited block of hotel rooms has been reserved for the Symposium, beginning at \$145+tax per night (single/double). To guarantee your room reservation at this rate, use the link on the symposium page, www.idac.org/upcoming.php or contact the hotel directly by calling (510) 638-7777 and use group code *IDA*. Discount hotel reservation deadline is February 21, 2018. Otherwise, hotel rooms can be reserved at www.bioaklandairport.com on an "As Available" basis at current rates. Any reservation that is not canceled by 4:00 pm—at least 24 hours prior to the arrival date—will be charged one night room and tax. All cancellations should be made directly with the hotel and a cancellation number must be obtained. Overnight Parking is \$9.

LOCATION/PARKING

The **Holiday Inn & Suites Oakland Airport** is located at 77 Hegenberger Rd., Oakland, CA. Detailed driving instructions will be provided with your *Registration Confirmation*. Day parking will be validated.

TRANSPORTATION

DRIVING INSTRUCTIONS: From Interstate 880, exit Hegenberger Rd. and go South towards Oakland Airport. The hotel will be on the right side, as you approach the airport entrance.

BART: The Holiday Inn & Suites Oakland Airport offers complimentary shuttle service to the Coliseum BART (Bay Area Rapid Transit) station. Call hotel beforehand to arrange for pickup: (510) 638-7777.

AIR TRAVEL: Oakland Airport (OAK) offers air service to/from 34 cities by 11 airlines. San Francisco International Airport (SFO) is 31 miles away.

AIRPORT TRANSPORTATION: The Holiday Inn & Suites Oakland Airport offers a courtesy van from/to Oakland Airport. Super Shuttle offers a share-ride van service from San Francisco Airport for \$43. Exclusive non-stop ride service is available for \$107. For info, visit the website: www.supershuttle.com or call: (800) 258-3826.
