- **Medicare Reimbursement Assistance**  
IDAC can assist members in resolving Medicare Reimbursement issues.
- **IDAC E-mail Network**  
IDAC utilizes its e-mail network for emerging disease surveillance, public policy alerts, and exchange of information among members.
- **IDAC Web Site — [www.idac.org](http://www.idac.org)**  
IDAC operates a web site to list symposia programs and links to other Infectious Disease web site. Members are offered free web pages or links to their own web sites.
- **IDAC Resources**  
IDAC undertakes projects to provide information to membership, such as the results of surveys on clinical practices or timely materials on clinical issues. In response to 9/11, IDAC produced and distributed a Bioterrorism Resources CD, containing up-to-date information on bioterrorism agents, information on hospital preparation and protocols, and power point presentations.
- **Pharmacist/Infection Preventionist Interest Group**  
IDAC offers a Pharmacist Interest Group session at every symposium, for the discussion of topics of interest.
- **Fellows Mentoring Program**  
IDAC operates a program in which members will mentor I.D. Fellows-In-Training interested in clinical practice. IDAC membership is offered to I.D. Fellows-In-Training at no charge.
- **Membership Directory**
- **Quarterly Newsletter**

## **IDAC Affiliations**

- **Infectious Diseases Society of America**  
IDAC is a regional society of IDSA and is represented in the IDSA State & Regional Society Assembly.
- **HIV Medicine Association**  
IDAC is a regional society of the HIV Medicine Association.
- **California Medical Association**  
IDAC is a recognized specialty society of the California Medical Association and an accredited Continuing Medical Education provider through the Institute for Medical Quality of the California Medical Association.
