

Infectious Disease Fellows-In-Training **Membership Application**

The **Infectious Disease Association of California** (IDAC) offers Free Associate Memberships to Infectious Disease Fellows-In-Training.

As an IDAC Fellow, you are entitled to free pre-registration for our annual Winter, Spring and Fall Symposia, participation in the IDAC e-mail network, and access to new password-protected website, with electronic membership directory.. In addition, IDAC conducts an annual Fellows Mentoring Session (following the IDAC Winter and Fall Symposia), at which you can network with I.D. physicians in clinical practice and explore the various I.D.-related career opportunities, as well as use the IDAC e-mail network to learn/search for job opportunities.

Complete and return this application, with your Fellows Program Director signature.
