# 2020 IDAC Winter Symposium

The Infectious Disease Association of California (IDAC) hosts its 8th annual *Northern California Winter Symposium* on Saturday, March 7, 2020. The Winter Symposium mixes the discussion of clinical infectious disease topics and the chance to network with other medical professions from the infectious disease community in California.

This year's event takes place at the Holiday Inn & Suites at Oakland Airport, 77 Hegenberger Rd., Oakland, CA 94621—at the entrance to Oakland Airport.

As described in this brochure, this CME program will address:

- Dental Prophylaxis Guidelines
- Sexually Transmitted Diseases
- *Candida auris* infections
- Rapid Diagnostics
- New Antibiotics
- Local Fascinating Cases

Non-CME sessions include *Break Out* sessions for both Physicians, Pharmacists, and Infection Preventionists to address non-clinical issues. In addition, an *I.D. Fellows Mentoring Session* provides I.D. Fellows-in-Training an opportunity to meet IDAC members in private practice and discuss career opportunities.

## TARGET AUDIENCE

This activity is designed to meet the educational needs of physicians, pharmacists, researchers, infection preventionists, and microbiologists with an interest in infectious diseases and HIV.

## CME CURRICULAR GOALS & OBJECTIVES

Upon completion of this activity, the participant will be able to:

- Apply new recommendations for prescribing dental prophylaxis.
- Apply new recommendations for the diagnosis, screening, and management of sexually transmitted diseases.
- Apply new recommendations for the diagnosis, screening, and management of *Candida auris* infections.
- Understand and utilize the results of laboratory rapid diagnostics techniques.
- Apply new recommendations for the utilization of recently approved antimicrobials.
- Apply new recommendations for diagnosis, screening, and treatment of interesting local cases.
