Hospitals Enrolled by Type and Bed Number

Note: Facility types may overlap

Honor Roll Enrollment

2-year designation

1 year to upgrade

March 1 and September 1

Rolling 6 months

Honor Roll Application on Survey Monkey

Antimicrobial Stewardship Program Honor Roll Application

Introduction

Thank you for taking the time to apply for the Antimicrobial Stewardship Program (ASP) Honor Roll!

Applications are accepted on a rolling basis, with deadlines every six-months. The **upcoming deadline is March 1, 2022**. Please refer to the [Instruction Manual](#) for additional information. **The Honor Roll application is open to all California hospitals (acute care, critical access, long-term acute care). Individual institutions within a healthcare system will need to apply separately to obtain designation for each facility.**

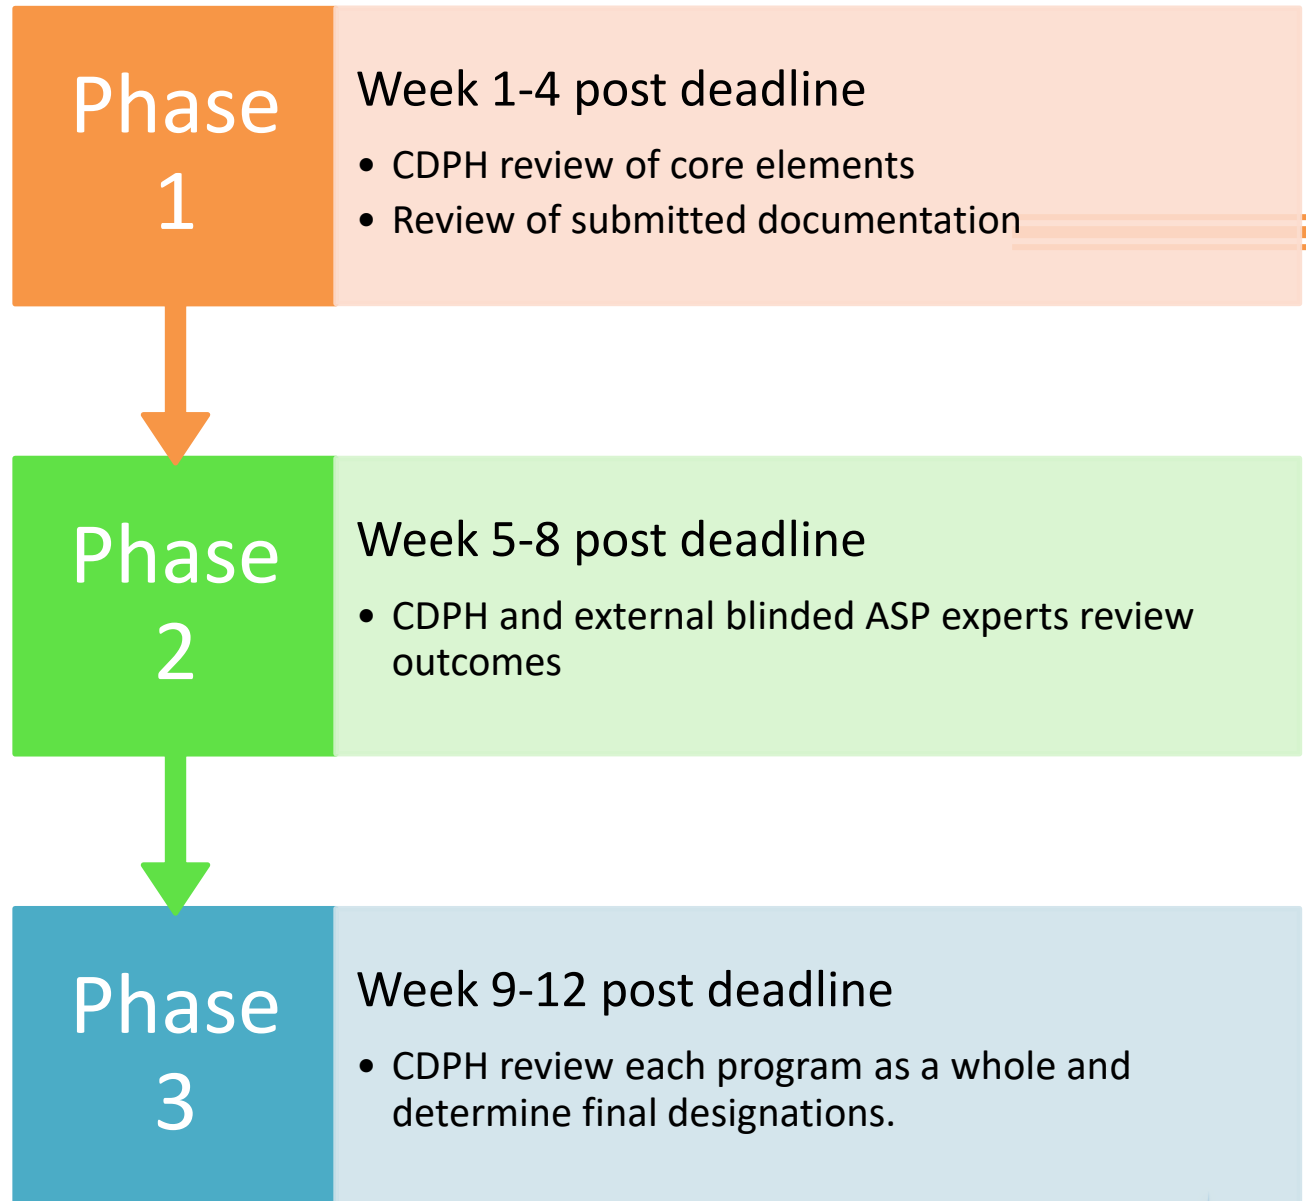

Currently, we are accepting applications from hospital ASP only; we will expand the program to include skilled nursing facilities (SNF) in the future. All hospitals are encouraged to apply. Facilities who wish to apply but do not meet Honor Roll criteria may still complete the application and use resources offered through the ASP Honor Roll program.

If you have any questions about how to apply, please contact HAIprogram@cdph.ca.gov before filling out the application.

Important Information

- If you need to save and return to the survey at a later time, please use the same computer and browser, and do not delete cookies.
- **You will be able to make changes to your application until you click "Submit" at the end of the survey.**

Welcome to the California Department of Public Health (CDPH) Antimicrobial Stewardship Collaborative Network (ASCN) Listserv. The purpose of this network is to promote and foster collaboration on antimicrobial stewardship. We are using a Listserv as a platform where individuals and facilities can connect, discuss topics, and form partnerships.

We have established some guidelines below to ensure the best experience possible for this forum.

RULES:

- Do not include protected health information (PHI) or other sensitive information.
- Do not distribute SPAM, jokes, solicitations, or petitions.
- SURVEYS: If you would like to distribute a survey, please obtain approval from HAIProgram@cdph.ca.gov. Note in the email subject line "Requesting approval for survey distribution through ASCN Listserv."

ETIQUETTE:

- Include your signature tag with your name, role(s), affiliation, location, and e-mail address.
- Clearly and concisely indicate the topic of your comments in the subject line. This allows members to respond more appropriately to your posting and makes it easier for members to search the archives by subject.
- When using an Auto Reply message for times you are out of the office, please be sure to "Create a Rule" that would prohibit sending your Auto Reply message to the listserv.
- Communicate with a professional and collegial tone - do not challenge or attack others.

DISCLAIMER:

The ASCN is provided as a service to the healthcare community and is maintained by the CDPH Healthcare-Associated Infections (HAI) Program. The CDPH HAI program is not responsible for the opinions and information (or their accuracy) posted on this site by others.
