ACCREDITATION

The Infectious Disease Association of California (IDAC) is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. IDAC takes responsibility for the content, quality, and scientific integrity of this CME activity.

PHYSICIANS: IDAC designates this educational activity for a maximum of 6.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education I.

PHARMACISTS: Pharmacists may use courses which have been approved for continuing education by the Medical Board of California towards their California continuing education requirement, (Section 1732.2(b) of the California Code of Regulations). A maximum of 6.0 C.E.U.s may be reported.

NURSES: Continuing Medical Education (Category 1) courses are acceptable for meeting the RN continuing education requirements (California Board of Registered Nurses). A maximum of 6.0 C.E.U.s may be reported.

ABOUT IDAC

Founded in 1985, the Infectious Disease Association of California is a non-profit organization (Tax ID # 95-4106813), serving the educational needs of medical professionals in California with an interest in Clinical Infectious Diseases/HIV. IDAC is a regional society affiliated with the Infectious Diseases Society of America and the HIV Medical Association, as well as a recognized specialty society of the California Medical Association. IDAC conducts three annual symposia, special topic symposia, and research addressing clinical and business issues pertaining to the practice of Infectious Diseases, as well as operates an Internet web site, e-mail network, and a Speakers Bureau.

Full Membership is open to medical professionals practicing in California, including physicians, pharmacists, Ph.D.s, R.N.s, infection preventionists, and microbiologists. Associate Membership is open to medical professionals practicing outside California. Dues are \$125 per year. Membership is also available to I.D. Fellows-in-Training and Pharmacist Residents (associated with IDAC Members) at no charge.

The Infectious Disease Association of California (IDAC) hosts its 7th annual *Northern California Winter Symposium* on Saturday, March 2, 2019. The Winter Symposium mixes the discussion of clinical infectious disease topics and the chance to network with other medical professionals from the infectious disease community in California.

This year's event takes place at the Holiday Inn-Oakland Airport, 77 Hegenberger Rd., Oakland, CA 94621—at the entrance to Oakland Airport.

As described in this brochure, this CME program will address:

- Resistant Gram Negative Infections
- New Antifungals, Combo Therapy & Synergy Studies
- Acute Flaccid Myelitis
- PCR Laboratory Techniques
- Gut Microbiome and Orally Administered Drugs
- Local Fascinating Cases

Non-CME sessions include *Break Out* sessions for both Physicians, Pharmacists, and Infection Preventionists to address non-clinical issues. In addition, an *I.D. Fellows Mentoring Session*, to give I.D. Fellows-in-Training an opportunity to meet IDAC members in private practice and discuss career opportunities.

TARGET AUDIENCE

This activity is designed to meet the educational needs of physicians, pharmacists, researchers, infection preventionists, and microbiologists with an interest in infectious diseases and HIV.
